

CasaDeMare, in Olimp, Romania.

www.casademare.com

CasaDeMare is located directly on the beach, in Olimp, and has 14 double rooms (12 with inner courtyard-view and 2 with sea-view) and 10 triple rooms (9 family cottages and 1 sea-view room).

Double rooms have matrimonial bed (1.6 m wide), and the triple rooms have both a double bed (1.6 m wide) and a sofa bed (1.4 m width).

The rooms with inner-courtyard view (17 sqm) are divided in 3 buildings with 4 rooms (2 on the ground floor and 2 on the first floor). The upstairs rooms have a balcony.

Sea-view rooms are located upstairs in the front building and have no balcony. The double rooms have 15 sqm and the triple room has a 20 sqm surface.

Family cottages are individual wood chalets located in the back yard of the property in the forest area. These cottages have 24 sqm and have their own terrace (5 sqm).

All room types have their own bathroom with shower.
